Since its establishment, the Palace Museum has taken preserving and carrying the Chinese cultural heritage forward as its core mission. In the past few decades, the Palace Museum has endeavoured to activate its collection and make the museum more connected and relevant to the world beyond the museum walls. As a bridge between the past and the present, China and the world, the Hong Kong Palace Museum is committed to the study and appreciation of Chinese art and culture. With a Hong Kong perspective and a global vision, the Museum interprets the Palace Museum’ s collection and its culture and presents the essence of Chinese culture and values to a global audience, while advancing dialogue and mutual learning among world civilizations. In this #PolyU 85th Anniversary Public Lecture, we are honored to have Dr Louis Ng Chi-wa, the first Director of Hong Kong Palace Museum, presents a public lecture, A New Vision for Carrying the Traditional Culture Forward. We sincerely invite you to embark on a journey exploring cultural heritage through the lecture. \n\n#PolyU85 #publiclecture #art #culture #PalaceMuseum #lecture See less'},

When you buy a box of "CUHK Mooncake", a mooncake will be delivered to the solitary elderly, sending love to everyone. \n\nEach box of CUHK Mooncake includes four low sugar white lotus seed paste mooncakes with double egg yolks. The University has joined hands with Caritas La Vie, a local social enterprise which provides job opportunities for the mentally disabled through its baking workshop, to produce "CUHK Mooncake. For each box sold, CUHK together with our NGO partners will deliver a free mooncake to the elderly living alone in Shatin and Tai Po. Proceeds from the mooncake sales will be donated to support CUHK I•CARE. This year, the university has invited CUHK English student Ruby Lee to design the packaging box. The idea came from an activity she joined in the Mid-Autumn Festival. When students are observing the moon, a cat suddenly comes out to grab the limelight and add delight to the festival. She also hopes to convey through her art piece the message to care for each other. \n\nEach box is sold at HK\$300 and includes four low sugar white lotus seed paste mooncakes with double egg yolks. 'Description': '我們都是中大人II – 第五集: 初心
我們都是中大人II – 不少學生初進中大山城時，充滿擔負和理想，但畢業後如何保持初心？導演 #黃修平（藝術系）謹記了教授當年的一句話：「陽光底下無新事，許多存在影子中。」即使影子是依附在物件上，但會令物件更立體，當藝術家便需要探討這層面。
黃的好拍檔、編劇 #陳心遙（人類學系）則認為，人生是累積而成，斷捨離的任何事會否開心，也是有意義的。
「我們同場加戲，充滿知識經過，還有黃修平的裝畫作曝光！想知道立即睇片！」
從預告片開始，共推出了六段影片，我們看到每位中大人透過山城連繫起來，成為同行的夥伴，一路走來，從迷花中重塑自己，保持初心。

中大人陳心遙 #主理人黃浩然 #監製編劇導演中大人黃修平 #監製略略主演中大人Many students are full of ambitions and dreams when they first enter CUHK, but how can they stay true to them after graduation? Director Adam Wong (Fine Arts) remembered a quote from his professor, "There is nothing new under the sun, but much is unseen in shadows." Every object has a shadow which makes it more dimensional. Being an artist involves exploring this aspect.
Adam Wong's partner, writer Saville Chan (Anthropology) believes that life is built on experience. Whether things make you happy or not, they are all meaningful.
Screening with: how did these two guys meet each other and become good friends? And Adam Wong's s drawing is also exposed! Let's watch the video now!
Starting from the trailer, a total of six videos are produced. We have seen that CUHKers are connected in this campus and become companions. Along the way, they reinvent themselves from confusion and continue staying true.

Ashley除了擔任導演，更是一名編劇。在籌備本的時候，跟很多「哲學人」一樣，會不停靠問自己，像是一段無盡的旅途，不過她最享受事前後的資料搜集，每次也可以接觸全新的事物。
在Ashley眼中，何謂好電影？她自己又想拍怎樣的電影？答案就在以下影片找到！
中大The HKISE examination results will be released soon! What has you been modifying programme choices of JUPAS? Will the subject you choose in university affect your future career very much?
Director Cheung Yin Kei Ashley studied #CUHK Philosophy but influenced by her father director Alex Cheung. She has been immersed in films and interested in this sector since she was a kid. It was not until she met someone who had been studying in secondary school that the door was really opened towards the world of films.
In addition to acting as a director, Ashley is also a screenwriter. When writing a script, she will be like many "philosophers" and overturn herself constantly, like an endless journey. Nevertheless, she always enjoys doing research because she can learn something new. In Ashley's eyes, what is a "good movie"? What kind of movie does she like to make? 'Description': '社會上不少人因為「精神病」這標籤而受到不同的對待。現為中大心理學博士生的「說書人」共同創辦人李昭明，希望透過「說書人」這平台，讓不同的人士都能認識精神健康，以及聆聽到有精神病經歷的人的故事。\\n\\n「研究顯示，親身接觸是減低歧視最有效的方法，說故事就是最能夠讓人直接認識眼前這個人。」李昭明表示，2015年成立的「說書人」，去年在中大的協助下，轉型成為社會，爭取更多資源接觸更多本來不認識精神健康的人，突破同溫層！\\n\\n「精神健康並非單純個人開心與否，更加重要的是整個群體的事，整個社會的事。」憑藉推廣精神健康方面的貢獻，李昭明獲得「2020年傑出學生獎 – 社會服務」。\\n\\n#精神健康 #親身接觸去污名 #中大心理學 #傑出學生獎 #社會服務 #博文約禮中大人\\n\\nSometimes people get discriminated against because they are labeled as mentally ill. Currently a Ph.D. student of Department of Psychology, CUHK, Amanda Li cofounded StoryTaler to promote mental health and let people listen to the stories of people with mental illness.\\n\\n“Research shows that personal contact is the most effective way to reduce discrimination. Story-telling is the most direct way to get to know more about the person in front of us,” said Amanda. StoryTaler was set up in 2015. With funding support from CUHK, it became a social entrepreneur last year, with the aim of acquiring more resources to reach people who do not know much about mental health and break through that stratosphere.\\n\\n“Mental health is not just personal. It is a matter for the community. It is a matter for the whole of society,” said Amanda. \\n\\nIn view of her contribution to promoting mental health, Amanda received the “2020 Outstanding Students Awards – Social Service”. \\n\\n#mentalhealth #personalcontacttoreducestigma #CUHKPSY #OutstandingStudentsAwards #SocialService #CUHKerThroughLearningandTemperancetoVirtue\\n\\n請登陸中大視野觀看更多精彩短片 \\nPlease watch more videos from CUTV http://www.cpr.cuhk.edu.hk/cutv/index \\nCUHK Facebook: https://www.facebook.com/CUHKofficial/ \\nCUHK Instagram: https://bit.ly/37d1d1Yn#CUHK2021Calendar #CUHKICAREProgramme\\n\\n請登陸中大視野觀看更多精彩短片 \\nPlease watch more videos from CUTV http://www.cpr.cuhk.edu.hk/cutv/index \\nCUHK Facebook: https://www.facebook.com/CUHKofficial/ \\nCUHK Instagram: https://bit.ly/3bNn8La\\nCUHK Telegram: https://t.me/cuhkofficialnews\\nCUHK Twitter: https://twitter.com/cuhkofficial \\nCUHK WeChat ID: CUHKofficial \\nCUHK Weibo: https://www.weibo.com/cuhkofficial \\nCUHK YouTube Channel: https://bit.ly/2A1l1fT',

He has been awarded the Esther Yewpick Lee Millennium Scholarship to pursue a DPhil in Clinical Medicine at the University of Oxford this year. Going to UK alone to further his study, he has chosen to focus on clinical research in HIV. Doing research is an open road where anything can come up and nothing can be predicted. Why did he make this decision? \n\nWhen the outbreak of COVID-19 started earlier this year, Dr. Tipoe joined the dirty team at the Prince of Wales Hospital and fought the virus in the frontline. With such experience, he realised that epidemiology is an important speciality in Hong Kong.
